

Product Data Sheet

ASMACO CHAIN CLEANER

Product Description:

ASMACO CHAIN CLEANER SPRAY is a high-pressure chain cleaner with a strong degreaser. It is a single component degreasing spray for your drivetrain that leaves no residue. Ideal to prepare or clean your chain when using a chain wax or when switching between lubes. The cleaner acts as a degreaser that dissolves oil, grease, and other contaminants. Your chain will look new and is ready to be lubricated. Chain Cleaner can be used on all parts of your drivetrain including chains, rear cassettes, and derailleurs. Frequently cleaning and relubricating your chain will extend the lifetime of your drivetrain.

Key Performance Properties:

- Suitable for all types of chains (O-ring, X-ring, W-ring).
- High pressure delivery ensures dirt and grime is removed quickly.
- Due to the high content of active substances, it quickly, effectively, and carefully cleans and degreases chains from old grease, dirt, dust, sand, and other road contaminants.
- Specially selected solvents effectively dissolve and clean the old dried and hardened residues of petroleum products in the form of resin and varnish.
- Regular cleaning of your chain will extend the life of your chain and maintain performance.
- Quickly and completely evaporates without damaging the oil seals.
- It is recommended to use it before applying fresh ASMACO Chain Lube Spray.

Applications:

• Metals • Chains & Sprockets • Chain links • O-Ring Chains • Chainsaws • Farm Equipment • Construction Equipment • Heavy Machinery

Typical Properties: Unit Specification

Appearance	--	Clear Liquid
Colors	--	Water white
Odors	--	Mild solvents
Specific gravity	--	0.79 ± 0.05
Pressure in can	Bar	4.5 ± 1

Application Method:

Place a cloth or cardboard under the parts to be cleaned. Shake the balloon and spray the product liberally several times and let it drain. After evaporation (approximately 10 minutes), the chain becomes clean and fat-free, prepared for applying ASMACO Chain Lube Spray.

Caution:

- The product can aggressively affect rubbers, polymer materials and paint coatings – check their compatibility before using.
- Store under temperature of 50°C, keep cool in ventilated and dry place.
- Keep away from the fire hazard and high temperature.
- Do not puncture or set fire to can.
- Keep out of reach of children.
- Eye Irritant: Rinse eyes thoroughly with plenty of water.

Shelf life:

36 months when stored at 20°C / 50% relative humidity out of direct sunlight.

Packaging:

ASMACO Brake Cleaner 250ml (12 pcs)
